Kicking Asphalt: Better World Club's eNewsletter

Described as "brilliant" and "hilarious" by reviewers, *Kicking Asphalt* provides Better World Club members with the latest news on Club benefits, AAA, socially responsible business, lemon laws, and recalls. 1% DONATION/CARBON OFFSETS

Better World Club donates 1% of gross annual revenue to environmental cleanup and advocacy. A key portion of donations go to projects that reduce greenhouse gas emissions, thereby offsetting the greenhouse gas emissions of the automobiles of our auto insurance clients. These donations are called carbon offsets or carbon credits.

You can find a calculator to help you offset your driving at www.betterworldclub.com.
