EMERGENCY SERVICE, 24 HOURS A DAY

Anywhere in the United States, Canada or Puerto Rico, if you need a tow, are locked out of your vehicle, out of gas, have a flat tire, dead battery, blown engine, Better World Club is there. (Unless you make other arrangements with the dispatcher, you must be with your vehicle when a service provider arrives—it's a service provider requirement. In the meantime, it's your responsibility to find a safe place to wait.)

Trip Interruption

If you're more than 100 miles from home and are in a collision that renders your car unsafe to drive, Better World Club will reimburse you for certain expenses up to \$1,000 (meals, lodging, car rental, transporting you home). Also included, within the limit:

- Cash Advance service
- Emergency Airline or Train Ticket Service
- Up to \$75 emergency transportation assistance for disabled vehicle incident.
- Ambulance service reimbursement capped at \$100 (Not available in TX.)

(Please see contract for details)

Legal Defense Benefit

If you must appear in court as a result of a traffic violation, you will be reimbursed for certain attorney's fees (other than yourself or a family member). Restrictions apply. See contract for

Auto Theft Reward – up to \$5,000

Better World Club will pay, as a reward, up to \$5,000 to witnesses for information leading to the arrest and conviction of any person who steals your car.

(This reward is not payable to members, their immediate family, or law officers.)

Driving Change: Better World Club's Action Alert

Driving Change highlights issues that demand action on the part of our members. Want to stop the EPA from gutting the global warming regulations of 10 states or AAA from persuading Californians not to impose a royalty on oil drilling? Driving Change can help.

Kicking Asphalt: Better World Club's eNewsletter

Described as "brilliant" and "hilarious" by reviewers, *Kicking Asphalt* provides Better World Club members with the latest news on Club benefits, AAA, bicycle and car news and tips, consumer information, and more. Want to get the word out? Better World Club publishes those member-authored articles that it deems meritorious.

1% DONATION/ CARBON OFFSETS

Better World Club donates 1% of gross annual revenue to environmental cleanup and advocacy.

A key portion of donations go to projects that reduce greenhouse gas emissions, thereby offsetting the greenhouse gas emissions of the automobiles of our auto insurance clients. These donations are called carbon offsets or carbon credits.

Did you know Better World Club also offsets the carbon footprint of our towing providers? We calculate the approximate CO2 output of the tow truck based on the amount of miles our member/s vehicle is towed. You can find a carbon calculator to help offset your driving at - www.betterworldclub.com.
